

YOU DESERVE ANSWERS

# Finally understand how your mind works.

Comprehensive psychological assessment, built around you, for the questions no one has been able to answer. Private pay. One flat rate. No surprises.

• **For Adults, Teens & Children**

ADHD · Autism · Learning Differences ·  
Anxiety & more

• **One Flat Rate**

Private pay practice. No insurance  
limits. Superbill available on request.

• **Built Around You**

A thorough evaluation shaped by  
your specific questions, giving you  
the answers that hold up over time.

WHAT TO EXPECT

✓ **We start with a  
conversation.**

Before any testing, you sit down with  
your testing psychologist to talk  
through what you are looking for.

✓ **A report you can actually  
use.**

Plain language for you, clinical detail  
for your care team. Built to inform  
treatment.

✓ **We stay with you until it  
is clear.**

Every assessment ends with a  
dedicated feedback session where  
every finding is explained.

WHO WE SERVE

- Children, teens, and adults
- ADHD and attention concerns
- Autism spectrum disorder
- Learning differences
- Anxiety, depression, and trauma
- Updated or clarified diagnoses
- School and workplace accommodations
- Group therapy for teens and adults

A NOTE FROM OUR FOUNDER

*“For many people, a thorough  
assessment is the turning point — the  
moment everything that came before  
finally starts to make sense.”*

— **Paula Johnson, MS, LMHC**  
Founder, Centered Connections

## Start with a free 15-minute consultation.

No pressure. No paperwork. Just a conversation about what you need.
